CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

The City of Riverside Fire Department responded to a report of a male stabbed in the chest at Pachappa Bridge C/O Union Pacific Railroad Tracks. The company officer discovered a patient lying along the railroad tracks and had to make access down a difficult steep hillside. The company officer requested for a low angle rope rescue response which consisted of the full technical rescue team / Rescue 3 / Battalion Chief and an additional engine company. Union Pacific Railroad was called and all rail traffic was shut down. Fire Department Paramedics along with AMR were able to make access to the patient and upon assessment had determined the patient deceased. The incident is currently under investigation by RPD. Breathing Support 5 assisted with lighting of the scene for RPD during the investigation last night.
